

homework
by claudia and vaida

no place
[NO PLACE!]
that's some
place for
~ some of us
oooh yeah
There's so
much space
[in noplac] ...

A day like any other day ...

What does it mean to be "grounded"?

* standing on ground lol

aahh... first class today is future thinking

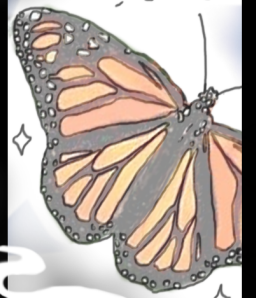

I really don't want to read out my homework!!! (i'm doomed)

WELL... maybe it's just that: being really aware of your surroundings and feeling

connected?

◇ 'bling' ◇

um...

having some 'ground' beneath your feet

and believing in its ability to hold you up ...
